Re: Limits of Use / Design Reuse

Dear _____,

Please allow this letter to serve as acknowledgement and agreement by you and your assigns that the electronic drawings (DWG files) sold under the Perfect Little House Company's moniker titled _____ shall be for one single use only and shall not be copied nor altered in any significant manner except for interpretation and design of building systems. Said systems may include but not be limited to the implementation of local/regional green building initiatives, SIP's panel assembly, lighting, electrical considerations as well as plumbing layout and design.

Upon receipt of executed return of this acknowledgement by you, we will email DWG files to you for distribution to your appointed subcontractors for their use on this house on a one-time only basis.

Should there be any reuse of the design in its intention, remuneration to Perfect Little House Company shall be made equal to or exceeding the base price of the license fee of the design and drawings.

Sincerely,

Acknowledged/Agreed
